1. Procam provides

- Drones, batteries and controllers
- The booking platform and the customers
- Service and maintenance

2. The shop

- Hands the drone to the customer and takes it back
- Does the photo check and the checklist in the app
- Keeps the drones safe at the shop

3. Money

- Customers pay Procam online.
- Platform and payment costs come off first.
- The profit left is split 50% shop, 50% Procam.
- Paid every month by bank transfer.
- The shop sees every booking and its share in the app.

4. Damage or loss

- The customer's deposit covers it. Procam handles it.
- For extra damage cost, Procam will handle it.
- The shop is responsible only if it skipped the handover check.

5. The drones stay Procam's property.

6. Ending

- Either side can end this with 7 days' notice.
- The shop then returns all drones.
