Drone Sales (part 1 of 6)

Drone revenue only (the old locker sales pages are untouched): money by source, month, shop, drone and payback, busiest days and hours, rental length, model, 1 or 2 batteries, online or walk-in, returns and repeat customers. Range buttons at the top.

Where the money comes from

Rental fees include the battery choice. Deposit kept is only what was actually taken for damaged or lost items.

Rental fees — RM24 (22%)

Battery swaps — RM5 (5%)

Deposit kept (damage or loss) — RM80 (73%)

By month

Which months sell best. Months are counted on Malaysia time, by the day the rental starts.
